# Hockey Programs

## ICOP Learn To Play

This program designed for the very young, ages 3 - 6, as the very first step into the sport of ice hockey. Small group lessons are ideal for improving skating skills and learning the sport of ice hockey. All equipment from head to toe, including a hockey jersey and socks is included with this ten week session.

## Developmental Hockey

Designed for children ages 4-12, as a step into the team sport of ice hockey. This fun filled program teaches skaters the skills needed to play the game of hockey. This year round, weekly program focuses on skating abilities, stick handling, shooting skills, and overall enjoyment of the game. Proper equipment is required to participate.

## Hockey Camps and Training

Want to improve your game? Check out the many camps and training sessions available at the ICOP web site, Summer Skate, 3 on 3 Sessions and Power Skate, just to name a few. Working hard in the off season is key to success on the ice in the fall.

## Adult League Hockey

Organized teams enjoy the competition of weekly refereed games. This non-checking league plays year round and offers the players 10 games and an exciting playoff session.

## Private Hockey Training

Individual and small group lessons are booked by appointment only. Lessons focus on a player's skills, stick handling, passing, shooting, skating, and conditioning..
