Learn To Skate

This is a perfect event for families and people of all ages.

We begin with a 5 minute warm-up, followed by a 25 minute group lesson where our highly qualified instructors divide everyone into groups based on experience. We then have a 30 minute freeskate in which skaters may practice what they've learned or just have fun with the other skaters.

This class is every Wednesday from 5:30 - 6:30pm.

Cost is \$8 per person. This includes skate rental and a walker if needed. A one time \$5.00 family membership fee is required. No session registration is needed, so you may come during the weeks when it is convenient for you.

Tiny Tots

A great way for kids ages 3 & up to learn how to skate. This small group lesson teaches kids the beginning levels of basic skating.

Two class times are scheduled on Fridays from 11:30 am - 12:00 pm.

And 12:00 - 12:30 pm

Cost includes lesson, skate rental and a walker if needed.
